

TECHSTATE UNIVERSITY ACADEMIC POLICIES

Document ID: CAT-POLICY-001

Source: <https://catalog.techstate.edu/academic-policies-2024>

Date Accessed: March 29, 2025

1. GRADING SCALE

A: 93–100 | A-: 90–92 | B+: 87–89 | B: 83–86 | B-: 80–82

C+: 77–79 | C: 73–76 | C-: 70–72 | D+: 67–69 | D: 63–66 | D-: 60–62 | F: below 60

2. GRADE POINT VALUES

A=4.0, A-=3.7, B+=3.3, B=3.0, B-=2.7, C+=2.3, C=2.0, C-=1.7, D+=1.3, D=1.0, D-=0.7, F=0.0

3. CREDIT HOUR LIMITS

3.1 Standard load: 12–18 credit hours per semester

3.2 Overload (19–21 credits): Requires dean's approval; GPA of 3.5 or above required

3.3 Maximum overload: 21 credits per semester (no exceptions)

3.4 Minimum full-time status: 12 credits

3.5 Summer sessions: Maximum 12 credits across all summer sessions combined

4. PREREQUISITE ENFORCEMENT

4.1 Prerequisites are enforced by the registrar system at time of registration.

4.2 Students who do not meet prerequisites will be dropped from the course during the first week if found to be enrolled without meeting requirements.

4.3 Instructor consent can override a prerequisite. Students must obtain a signed Override Form from the instructor and submit it to the registrar before the end of Add/Drop period.

4.4 Completing a course with a grade below the required minimum does NOT satisfy the prerequisite for downstream courses, even if the student passed the course overall (e.g., earning a D in CS 101 does not satisfy the minimum grade C prerequisite for CS 102).

5. REPEAT POLICY

5.1 Students may repeat a course up to two times (three total attempts).

5.2 The highest grade earned replaces the previous grade in GPA calculation. All attempts remain on the transcript.

5.3 Financial aid implications: Repeated courses may affect financial aid eligibility. Consult the Financial Aid Office.

5.4 Courses passed with a C or above may not be repeated for GPA improvement unless approved by the dean.

6. WITHDRAWAL POLICY

6.1 Students may withdraw from a course without academic penalty (W grade, no GPA impact) until the end of Week 10 of a 16-week semester.

6.2 After Week 10: Withdrawal results in WF (Withdrawal Failing), which counts as F in GPA calculation.

6.3 Medical/emergency withdrawal: Available with documentation at any time. Requires dean's approval. Results in W grade regardless of timing.

6.4 Withdrawing from all courses in a semester triggers a Leave of Absence review.

7. INCOMPLETE GRADES

7.1 A grade of I (Incomplete) may be assigned when a student cannot complete coursework due to documented extenuating circumstances (medical, family emergency).

7.2 Incompletes must be resolved within one semester (not including summer) after the grade is assigned.

7.3 Unresolved Incompletes automatically convert to F after the resolution deadline.

7.4 Students with an Incomplete in a required prerequisite course may not enroll in the downstream course until the Incomplete is resolved and a passing grade confirmed.

8. TRANSFER CREDIT POLICY

8.1 Transfer credits from accredited institutions are accepted based on course equivalency review.

8.2 Transfer credits from community colleges: Maximum 60 credits applicable toward the degree. No more than 45 credits from two-year institutions.

8.3 Upper-division transfer credits (300-level equivalent): Accepted from four-year accredited institutions only.

8.4 Students must complete a minimum of 30 credit hours at TechState for the degree.

8.5 Transfer credits satisfy prerequisites at TechState if the course is determined equivalent by the receiving department.

8.6 AP Credits: TechState accepts AP scores of 4 or 5 for credit equivalency in designated courses. A score of 3 earns general elective credit only. No credit awarded for scores of 2 or below.

9. ACADEMIC INTEGRITY

9.1 All submitted work must be the student's own unless explicitly permitted to collaborate.

9.2 Use of AI-generated content must be disclosed per course-specific policy. Check each course syllabus.

9.3 First offense: F on the assignment and mandatory academic integrity workshop.

9.4 Second offense: F in the course.

9.5 Third offense: Recommendation for suspension or expulsion.

10. ADVISING AND REGISTRATION

10.1 All CS and DS students are required to meet with their academic advisor at least once per semester before registration opens.

10.2 Registration appointment times are determined by credit hours completed (seniors register first).

10.3 Students on academic probation must obtain advisor signature on their course selection before they can register.

11. CATALOG YEAR POLICY

Students follow the degree requirements of the catalog year in which they first enrolled at TechState as a degree-seeking student. Students may petition to change their catalog year (only forward, not backward) with dean's approval. Transfer students use the catalog year of their transfer enrollment.
